We would like to express how pleased we are with the service Northern Alarm Protection Co. Ltd has given us. For four years they have faithfully delivered top quality products to our door. It's a pleasure to work with people who know the meaning of efficiency and customer service.

Numerous projects including CCTV, security and alarm systems have been implemented with the assistance of Northern Alarm. As a supplier of these products and services Northern Alarm has provided us with current technology and ensured that installations have been complete. As we are a multi-property facility, your ability to schedule and install in a wide range of environments has been a reason for our continued business.

Once again we would like express our sincere appreciation for all of the service that Northern Alarm Protection Co. Ltd. has provided us with. We know that we can depend on the knowledgeable and helpful staff. We look forward to a continuing relationship for years to come.

Thank you,

J. W. Wilson
